CLASSIC

Stefania

The luxury of the Stefania collection is suitable for interiors where the emphasis is on quality and timeless values. The cylindrical lampshade is decorated with crystal glass, and metal elements add solidity to the design.

Reni

When the lighting in the room is right, it is a pleasure to be in the room. The functional purpose of pendant lamps is to draw attention to the decor in the bedroom, as well as create a directional light above the coffee table in the living room with a high ceiling, in the work and dining area of the spacious kitchen, or spot lighting in the home office.

Kinia

Elegant lamps will be a wonderful decoration for the premises of creative people – writers or artists, as well as representatives of rare hobbies. Extraordinary personalities do not recognize unshakable traditions and binding rules. This collection is a real symbol of open rebellion and true independence. An unexpected contrast is possible by combining chandeliers from this collection with models made in pompous style. Create ambiguity and experiment with shapes.

MODERN

Klodi

APL.623.01.01

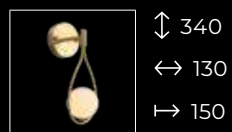

1x40W – E27
BRONZE / WHITE

For any interiors made in white, brown and blue shades, stylish Klodi sconces in the form of a huge pearl will fit perfectly. The almost weightless design of the wall lamp creates a feeling of lightness in the room.

E27

Enn

APL.627.01.01

1x5W LED – G9
BRASS / WHITE

If you decide to decorate each room in an apartment or house in a different style, pay attention to wall lamps that will perfectly fit both the interiors of exemplary classics and creative modern.

G9

Kornelia

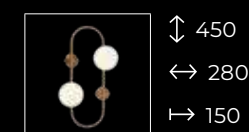

A series of wall sconces Kornelia is a gentle and light line of lamps in the style of minimalism. Finished in matte gold color combined with snow-white glass spheres made of frosted glass that gently transmits light. A smooth ring-shaped shape with slight curves looks concisely above dining groups, in living rooms and bedrooms.

CONVENTIONAL DESIGNATIONS

Number of lamps, pcs.

Minimum-maximum height, mm

Width, mm

Offset from the wall, mm

Length, mm

Diameter, mm

Light scattering angle, °

Universal mount

Maximum power, w

Lighting source

Colour
